Essentia Health

Consent for Treatment

Consent for Medical Care

I consent to receive medical care at Essentia Health. My medical care may include routine tests and treatment that my doctors or my care team believe I need. I understand that my medical care and treatment may be given by doctors, nurse practitioners, physician assistants, nurses, students, and other health care professionals. I understand that Essentia Health cannot promise specific results. I understand that medical photographs and/or videos may be made of me as part of my care or treatment and that these may be used in my medical record and/or for medical teaching.

By signing below, I state that I have read, understand, and agree to this Consent for Treatment. I understand that I have the right to revoke/take back my consent at any time except where Essentia Health has already acted on my consent. I understand I must notify Essentia Health in writing if I want to take back my consent.

- **If the patient is 18 years of age or older**, the patient must sign and date the form.
- **If the patient is 18 years of age or older and is unable to sign**, a legally authorized person must sign and date the form. State your legal authority and give legal documentation if not already on file:
